Official Scrutineering Sheets

Junior Ten Dance

Rule 20.10: In the event the Canadian Closed 10-Dance Championship is not held in any one year, then the 10-Dance representative shall be determined by extracting the 10-Dance results from the regular Canadian Closed Standard and Latin Championships. The scrutineer shall first discard the marks of all non-10-Dance couples, then re-calculate the marks of the 10-Dance couples by adjusting their placement achieved in each Standard and Latin dance in relation to each other by placing them as scoring 1st, 2nd, 3rd and so forth. [For instance, should the highest placing 10-Dance couple be third in one dance, his result would count as first for the 10-Dance calculation in that dance. If the next highest 10-Dance couple in this same dance is placed sixth, his result would count as second in that dance in the 10-Dance calculation. If the next highest 10-Dance couples are not in the final of a dance, they are placed by comparing the highest number of recalls in a specific round – reference may be made to an Article written by Jackie Rogers, Chairman, NDCA Scrutineering Committee].

Official Scrutineering Sheets

Youth Ten Dance

Rule 20.10: In the event the Canadian Closed 10-Dance Championship is not held in any one year, then the 10-Dance representative shall be determined by extracting the 10-Dance results from the regular Canadian Closed Standard and Latin Championships. The scrutineer shall first discard the marks of all non-10-Dance couples, then re-calculate the marks of the 10-Dance couples by adjusting their placement achieved in each Standard and Latin dance in relation to each other by placing them as scoring 1st, 2nd, 3rd and so forth. [For instance, should the highest placing 10-Dance couple be third in one dance, his result would count as first for the 10-Dance calculation in that dance. If the next highest 10-Dance couple in this same dance is placed sixth, his result would count as second in that dance in the 10-Dance calculation. If the next highest 10-Dance couples are not in the final of a dance, they are placed by comparing the highest number of recalls in a specific round – reference may be made to an Article written by Jackie Rogers, Chairman, NDCA Scrutineering Committee].

Official Scrutineering Sheets

Adult Ten Dance

Rule 20.10: In the event the Canadian Closed 10-Dance Championship is not held in any one year, then the 10-Dance representative shall be determined by extracting the 10-Dance results from the regular Canadian Closed Standard and Latin Championships. The scrutineer shall first discard the marks of all non-10-Dance couples, then re-calculate the marks of the 10-Dance couples by adjusting their placement achieved in each Standard and Latin dance in relation to each other by placing them as scoring 1st, 2nd, 3rd and so forth. [For instance, should the highest placing 10-Dance couple be third in one dance, his result would count as first for the 10-Dance calculation in that dance. If the next highest 10-Dance couple in this same dance is placed sixth, his result would count as second in that dance in the 10-Dance calculation. If the next highest 10-Dance couples are not in the final of a dance, they are placed by comparing the highest number of recalls in a specific round – reference may be made to an Article written by Jackie Rogers, Chairman, NDCA Scrutineering Committee].

Official Scrutineering Sheets

Senior I Ten Dance

Rule 20.10: In the event the Canadian Closed 10-Dance Championship is not held in any one year, then the 10-Dance representative shall be determined by extracting the 10-Dance results from the regular Canadian Closed Standard and Latin Championships. The scrutineer shall first discard the marks of all non-10-Dance couples, then re-calculate the marks of the 10-Dance couples by adjusting their placement achieved in each Standard and Latin dance in relation to each other by placing them as scoring 1st, 2nd, 3rd and so forth. [For instance, should the highest placing 10-Dance couple be third in one dance, his result would count as first for the 10-Dance calculation in that dance. If the next highest 10-Dance couple in this same dance is placed sixth, his result would count as second in that dance in the 10-Dance calculation. If the next highest 10-Dance couples are not in the final of a dance, they are placed by comparing the highest number of recalls in a specific round – reference may be made to an Article written by Jackie Rogers, Chairman, NDCA Scrutineering Committee].

Rule 20.10: In the event the Canadian Closed 10-Dance Championship is not held in any one year, then the 10-Dance representative shall be determined by extracting the 10-Dance results from the regular Canadian Closed Standard and Latin Championships. The scrutineer shall first discard the marks of all non-10-Dance couples, then re-calculate the marks of the 10-Dance couples by adjusting their placement achieved in each Standard and Latin dance in relation to each other by placing them as scoring 1st, 2nd, 3rd and so forth. [For instance, should the highest placing 10-Dance couple be third in one dance, his result would count as first for the 10-Dance calculation in that dance. If the next highest 10-Dance couple in this same dance is placed sixth, his result would count as second in that dance in the 10-Dance calculation. If the next highest 10-Dance couples are not in the final of a dance, they are placed by comparing the highest number of recalls in a specific round – reference may be made to an Article written by Jackie Rogers, Chairman, NDCA Scrutineering Committee].
